Future Sponsors,

It is with great enthusiasm that we reach out to present a unique partnership opportunity with the Portuguese American Cultural Center through our annual Dia de Portugal Festival 2026, taking place from June 5th to June 7th in Palm Coast, Florida.

This festival aims to promote, preserve, and showcase the strong Portuguese presence within our community, celebrating our traditions, culture, music, and cuisine. It is a culturally significant event that attracts attendees from across the state of Florida, bringing together hundreds of visitors over the course of three days.

This year, the festival will feature artists traveling directly from Portugal, providing an authentic and enriching experience for all attendees while strengthening the cultural connection between Portugal and the Portuguese-American community.

To make this event possible and continue expanding its impact, we rely on the support of partners and sponsors like your organization. By becoming a sponsor, you will not only support the promotion of Portuguese culture, but also gain valuable exposure to a diverse and engaged audience.

Sponsors will benefit from multiple brand visibility opportunities, including presence in promotional materials, social media recognition, public acknowledgment during the event, and year-round exposure at the Cultural Center.

We would be honored to have your support and partnership in making this festival a continued success.

Please feel free to contact us for more information regarding sponsorship opportunities and how we can build a successful partnership together.

Sincerely,

Portuguese American Cultural Center
Palm Coast, Florida
